Testimonials from past students

“During this month I met incredible people, which I will keep in my heart”

“The people were always willing to help and very kind”.

“Great reception, patience and organization of each day and each administrative process”

“Teachers are very professional”

“The patience and enthusiasm to help us advance is something I want to thank”

“Studying abroad is a great opportunity. Knowing other people, other cultures, other languages, opening your doors, meeting everybody and working abroad. Coming here is a memorable experience”

Juliana Ramirez

IMT Mines Albi
French Summer School Student Rating ★★★★★
Train, Enhance, Search, Anticipate
Innovation is at the heart of the IMT Mines Albi

Moving forward to transform the future

1st group of schools and engineering and management in France

Member of the Federal University of Toulouse Midi-Pyrénées

Research centres
- The Industrial Engineering Centre
- The Clément Ader Institute
- Rapsodee

Technology platforms
- Gala
- Minimau
- Valthera
- Iomega
- Iomega VR

135 university partners around the world

38 Laboratories with the Carnot M.I.N.E.S. Institute

1500 active partnerships with SMES and intermediate-sized companies

1 incubator instigating 45 projects with 92 jobs created

4 major scientific expertise fields

Materials and processes for aeronautics and space

Biomass engineering and renewable energy

Bio-health and powder engineering

Organization’s dynamics
THE CAMPUS

A campus offering ideal study and research conditions

- 5 halls of residence on the campus and 3 in city center of Albi
- 54 acres with 45000 sqm of buildings
- 5 acres of sport areas
- Albi: A dynamic town and a UNESCO World heritage site
- 4 Chairs and jointly-run laboratories

A dynamic and inclusive campus

- ~1000 Students
- 40% Women
- 18% International Students
- Clubs and associations (sports, arts, events, sustainable development, gastronomy,...)
- 3600 Active alumni part of the IMT Mines Albi network

Every year,

- +200 engineers
- 50 master students
- 30 doctors

graduate from IMT Mines Albi
Dive into the enchanting world of the French language!

Beginners, get ready for a whirlwind of fancy phrases and melodic tones. Conquer verb conjugations, craft sentences, and unravel the magic of French grammar. Each new word unlocks a gateway to a vibrant culture brimming with history, art, literature, and tunes.

If you already have some knowledge of French language, mastering it is your golden ticket to endless possibilities. Embark on this linguistic escapade and let French whisk you away to uncharted territories!

Get ready to follow classes in French universities!
Join us in this linguistic and professional adventure and unlock new perspectives for your engineering career!

As engineering students, mastering the French language offers undeniable advantages in an increasingly interconnected world. Besides being the language of love and culture, French is also the language of science, technology, and innovation.

French opens doors to international career opportunities in fields such as aerospace, civil engineering, computer science, and beyond. Whether you aspire to design the technologies of the future, solve complex problems, or innovate in your field, mastering French provides you with a unique competitive edge.
Embark on a journey of cultural discovery as you explore the multifaceted aspects of French heritage!

Delve into the heart of French ingenuity by visiting renowned industrial hubs, where you'll witness firsthand the innovation and craftsmanship behind some of France's most iconic products.

Then, immerse yourself in the allure of France's tourist attractions, from historic landmarks to breathtaking natural wonders, each offering a glimpse into the country's rich tapestry of history, art, and tradition.

These immersive experiences will not only deepen your understanding of French culture but also leave you with lasting memories.
Discover the city of Albi, a medieval treasure nestled in the heart of the Occitanie region!

With its picturesque cobbled streets, majestic red-brick cathedral, and charming half-timbered houses, Albi is a true invitation to journey back in time.

Stroll along the peaceful banks of the Tarn River, explore local craft shops, and taste the delights of regional cuisine in bustling cafes. Immerse yourself in the city’s fascinating history by visiting the Toulouse-Lautrec Museum, dedicated to the famous artist born in the region.

Albi, with its warm ambience and exceptional cultural heritage, promises you an unforgettable experience at every corner. So join us for an enchanting getaway in this gem of southwestern France!
PRACTICAL INFORMATION

TUITION

- Preferential rate for students from partner institutions and/or future students of IMT Mines Albi or an IMT school: 900€

- Normal rate: 1200€
  (Tuition includes courses, visits and activities. It does not include accommodation, meals or health insurance)

VISAS

- The student should inquire about the visa requirements specific to their country of origin. For further information on visa requirements for France, please contact your nearest Embassy, Consulate, or Campus France Office. Upon registration and payment completion, IMT Mines Albi will issue an official admission letter, if needed, to support students in obtaining a valid visa.

ACCOMMODATION

- Even though accommodation is not included in the tuition fee, IMT Mines Albi offers rooms in student residences that you can rent during your time in Albi.

FACILITIES

- IMT Mines Albi gives you access to the library, wireless internet, sports facilities and the university restaurant. Students are encouraged to bring their own laptop.

INSURANCE

- We recommend that all French Summer School participants buy an appropriate health insurance to cover them during their stay in Europe and for travel purposes.
HOW TO APPLY?

To register, please contact
frenchsummerschool@imt-mines-albi.fr

DEADLINE: 21ST JUNE 2024

Given the challenges that come with traveling and studying abroad, the IMT Mines Albi International Office is available to assist you with all the logistics involved in international travel.

If you require additional details regarding visas, insurance, banking, healthcare, or any other topic, feel free to reach out to us for assistance. We are here to provide you with all the necessary information. Rest assured, we will assist you in preparing for your arrival in Albi, and you can rely on us to welcome you on campus.

We aim to provide each of our students with a rewarding and unforgettable experience that will stay with them for a lifetime.
